Edoardo and  
Alessio

# Presentation of school

## GYM

## places

Our school has two gyms that we use during **PHYSICAL EDUCATION HOURS**, where you can practice different sports.

The sports we practice this year are: volleyball, tag rugby, basketball and badminton

## SCIENCE LABORATORY

It has many tools and materials for experiments and new discoveries

## LANGUAGE LAB

The language laboratory has some computers on which we can do tests, play games, or watch and listen to videos to improve our skills

## STEM LABORATORY

In the STEM lab, we have to build models with the 3D printer

## MUSIC LABORATORY

In the music room our teacher teaches us to play the flute and the piano. Our music room is equipped with a professional piano and a drum kit. Each student, at the beginning of the year, must buy either a flute or a keyboard.

## ART ROOM

The art laboratory has a lot of art supplies and also clay to make vases or other objects.

## GREAT HALL

In this room all the classes gather to watch films, make presentations and show posters about important topics

## SCHOOL CANTEEN

In the school canteen we have lunch on Mondays and Thursdays.

Our mums  
cook better  
!!!

## LIBRARY

In the library, classes can gather to read books of different types and authors.

It is equipped with armchairs and sofas.

## LOBBY

In the morning entrance at 8 o'clock sharp, all the classes gather to enter and start lessons.

SEE YOU NEXT TIME

Ciao

TSCHUSS
